

WINNERS FOR THE DAY at Ulverstone Golf Club

DATE – 12th April 2109

We had two competitions for the day, an Individual Stableford event and a Team's Event Best Ball. As you will see it seemed the C Graders struggled a bit with the length of the Ulverstone layout, but we are sure they enjoyed the points they amassed. Congratulations to all the winners.

The Team's Event was taken out by locals Dave Walker, John Brett, Andrew Lewtas and Alex Smith with a very good team score of 49 points. Another northern team of Tony Dick, Paul Baggot, Mike Rataj and Sam Vickers came in second with a score of 47 points.

MBT/MBT GC Member Prizes

A Grade - 1st with 33 points - Martin Brown. Runner up with 31 points - Craig Clark

B Grade - 1st with 32 points on a count back - Trevor Johnson. Runner up with 32 points - Paul Baggot

C Grade - 1st with 29 points - Sam Vickers. Runner up with 26 points - Kent Bishop

The best stableford score for MBT/MBT GC Members went to Neil Faulks with 36 points. Neil successfully defending his Eddie French Memorial Shield he won last year.

The Visitors prize went to Dave Walker from Ulverstone (local knowledge!) with 37 points. Runner up with 36 points was Barry Bourke.

Novelty Prizes - NTP's on the 9th and 18th holes were won by Kent Bishop and Jamie Kay respectively. Longest Drives in A, B & C grades were taken out by Craig Clark, Clint Edwards and Glenn Johnson. Closest to the pin for the 3rd shot on the 17th went to Neil Faulks.

Hopefully we will see as many players at Prospect Vale Golf Club (Country Club Casino) on May the 10th. Bosch has come on board with some great prizes for the day. Winning the best MBT GC Member score for the day will get the winner an 18volt 6 piece Bosch kit. A great prize!!!! Please come along and support the day and a great NEW sponsor.
